

Buy **THANK YOU & BIRTHDAY** cards .....  
 ..... help build a home  
 for poor children

**About the cards ....**

Over the years, I have collected Aboriginal art pamphlets from galleries. The colours and designs inspired me to create recycled cards. Sale of the cards raises money to support various community projects, especially projects for the Daughters of Divine Zeal.

The 1<sup>st</sup> step to create recycled cards involves cutting the pamphlets into strips and individually pasting them into a collage. The 2<sup>nd</sup> step is to print the designs onto recycled card. The 3<sup>rd</sup> step is to pack and send the cards to you with recycled envelopes.

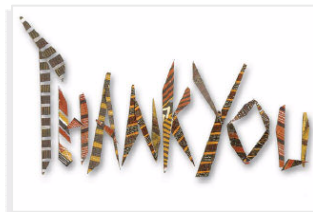

By buying the cards, you help the Daughters of Divine Zeal realise their dream to build a home for poor children in the Philippines.

Best wishes from, Nelson.

**Each pack of individual cards:**

- Original RecycledArt by Nelson Estrella
- Quality printing on recycled card
- A6 size with recycled envelopes
- 6 or 12 different designs in each pack

4 of the 12 different designs are shown adjacent
